Family Caregiver Support Program

Area Agency on Aging

Respite Program

Are you caring for a senior or a person with Dementia?

The respite program is designed to give unpaid caregivers a temporary break.

Respite services are available to:

- Caregivers who care for loved-ones (60 and older) who are homebound
- Caregivers for seniors diagnosed with Alzheimer's or a Dementia related illness.

“There are four kinds of people in the world:

Those who have been caregivers;
those who are caregivers;
those who will be caregivers;
and those who will need caregivers.”

-Rosalynn Carter

Senior Raising Children Program (SRC)

Are you a senior who is the sole caregiver for children?

The purpose of the SRC program is to assist people 55 and older, by sponsoring the costs of *tutoring, after-school programs, and summer camps* for their children.

By doing so, we offer a break to caregivers and enrichment to children in our community.

Supplemental Assistance

Support for caregivers in Clarendon, Kershaw, Lee, and Sumter counties.

Are you paying out-of-pocket for incontinence or nutrition supplies like *Depends, Boost, or Ensure*?

Does your loved one need assistive items like a *cane, walker, or shower chair*?

The supplemental assistance voucher can help reimburse you for approved caregiver items that you purchase.
